ABOUT MERIDIAN

We took the wholesaler out of the middle

Meridian Care Supply is an Australian importer and distributor of disposable care consumables. We buy direct from the production floor and sell direct to the facilities that use the product: continence care, bed protection, examination rolls, adult bibs and PPE, by the carton and the pallet, to aged care, hospitals, dental practices, salons and hotels across Australia.

Trade and wholesale only, with no public pricing. Every quote is set against your real volume and delivery schedule, and samples go out before anything is committed.

MANUFACTURED UNDER

ISO 13485

Medical devices quality management.
Manufacturing facility certified.

ISO 9001

HOW IT WORKS

01

Send your list

Tell us the products, sizes and monthly volume.

02

Sample before you commit

We send physical samples of the exact construction you are quoting on.

03

Priced to your volume

Pricing is set against your carton or pallet volume and delivery frequency.

04

Delivered and scheduled

Single deliveries or a standing schedule with fixed pricing.

● FLAGSHIP PRODUCT

The Q2 Solution

Turn, attach, tear: one carer, hands free

A hands-free turning and changing device with a 76" Velcro support arm rated to a 300lb patient. Combines repositioning and an absorbent underpad in one, so a single carer can turn, clean and inspect skin without waiting on a second pair of hands.

98%

assisted in turning a patient

73%

said it saved them time

69%

reported less fatigue

Figures from the manufacturer's own user survey.

- ⊙ 2000cc absorbency inner layer
- ⊙ Velcro support arms rated to a 300lb (136kg) patient
- ⊙ Frees both of the carer's hands during changing and skin inspection
- ⊙ Breathable non-woven top layer over a leakproof bottom layer
- ⊙ "Safety Support" hook and loop system
- ⊙ "Easy Open" perforated window

THE RANGE

Every category, every line

Full specifications, carton quantities and current certification documentation are supplied with quotation for every line below.

Continence Care

Underpads, adult briefs and liners built around SAP absorbency.

Disposable Underpads

Five-layer SAP core, five stock sizes

Multi-layer absorbent underpads for beds, chairs and transfers. Five stock sizes from 40×60cm to 75×90cm.

Blue, white, green, pink · 100–300 pcs per carton

Adult Diapers

M to XXL, 8–12g SAP, four-tab fastening

Tab-style adult briefs in four sizes with leg cuffs, leak guards and a breathable backsheet.

M to XXL · 100 pcs per carton (10×10)

Maternity & Recovery Liners

Two sizes, individually wrapped, hospital grade

High-absorbency liners for postpartum and post-surgical recovery. Individually wrapped.

Blue, white · 250 pcs per carton (25×10)

Bedding & Surface Protection

Single-use sheets, pillow cases, couch rolls and laminated tissue.

Disposable Bed Sheets

Nine sizes, four constructions, with or without threading

Single-use bed sheets in nine sizes and four material builds, replacing a laundry cycle rather than adding to it.

Blue, white, green · 100–200 pcs per carton

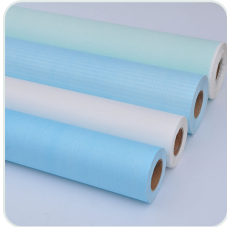

Disposable Pillow Cases

Two sizes, 100 or 500 per carton

Single-use pillow cases in standard and travel sizes, non-woven or tissue with PE film backing.

Blue, white · 100 or 500 pcs per carton

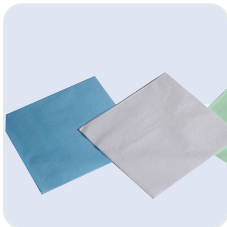

Couch & Examination Rolls

45cm and 50cm widths, up to 100m, perforated

Perforated examination couch rolls in five stock lengths and six constructions. Latex free.

Blue, white, green · 6–12 rolls per carton

PE Laminated Tissue

40cm and 50cm squares, 1000 or 2000 per carton

Pre-folded PE-laminated tissue squares for tray and instrument surfaces, with or without headrest hole.

Green, blue, white · 1000 or 2000 pcs per carton

Mealtime & Clothing Protection

Adult bibs and bib rolls for dining rooms and treatment chairs.

Adult Disposable Bibs

Four sizes, pocketed or plain, up to 1000 per carton

Adult mealtime bibs with an absorbent face and waterproof backing. Pocketed and plain, four sizes.

Blue, white, green · 500–1000 pcs per carton

Bib Rolls

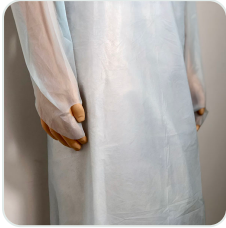

50×60cm, 80 per roll, 12 rolls per carton

Perforated bib rolls for dental chairs and dining rooms. 80 bibs per roll, 960 per carton.

Blue, white, green, pink · 960 bibs per carton

Personal Protective Equipment

CPE isolation gowns and respiratory protection.

CPE Isolation Gowns

Thumb-loop cuffs, full back coverage, 5-year shelf life

Cast polyethylene isolation gowns with thumb-loop cuffs. Full-length fluid protection, boxed for dispensing.

Single-layer CPE film · configured per order

KN95 Respirator Masks

GB2626-2006 KN95, ≥95% filtration, 10 per pack

Multi-layer folding respirators certified to GB2626-2006 KN95, filtering ≥95% of airborne particulates.

GB2626-2006 KN95 · 10 masks per pack

Washroom Hygiene

Disposable toilet seat covers for public and guest facilities.

Disposable Toilet Seat Covers

Two oversized formats, tissue with PE film

Oversized flushable-format seat covers with side and front flaps. Two sizes, tissue and PE film.

White, blue · configured per order

Pet Care

Training and puppy pads using the same SAP core as our underpads.

Pet Training Pads

Five sizes, SAP core, built-in attractant

Puppy and training pads on the same five-layer SAP core as our medical underpads. Five sizes.

Blue, white, green, pink · packing to requirement

Raw Materials

PE film and hydrophilic non-woven on the roll, to your spec.

PE Film & Hydrophilic Non-Woven

12-80 gsm, widths to 210cm, on the roll

Component rolls for converters: polyethylene film and hydrophilic non-woven to your gsm and width.

12-80 gsm · widths to 210cm

Send us what you buy today.

Email your current order sheet or invoice and we will come back with a like-for-like comparison: same sizes, same constructions, priced against your real volume. Samples go out before anything is committed.
